Special Initial Clothing Allowances for Navy Personnel (Regular and Reserve)

Navy personnel serving with Marine Corps units are authorized Special Initial Clothing allowances, per the following guidance. This information clarifies and amplifies guidance provided in reference (a).

1. Special Initial Utility Uniform Allowance (SIUUA)

a. The SIUUA is intended for Navy enlisted personnel who routinely wear the utility uniform during the performance of their work while assigned to Marine Corps units.

b. Navy officers may purchase and wear the utility uniform at their option and expense.

c. The SIUUA is authorized for Regular Navy enlisted personnel and Reserve Navy enlisted personnel on extended active duty (greater than 179 days of continuous active duty), permanently assigned or assigned on a TAD basis for augmentation purposes due to contingency operational commitments to Marine Corps forces.

d. Authorized Navy enlisted personnel will receive only one entitlement to this allowance during any one period of continuous assignment to such duty. Additionally, personnel who have received this allowance will not be authorized a subsequent allowance of the same items upon assignment to a new Marine Corps unit if less than 3 years have elapsed between assignments (i.e., there must be a 3-year break in service with the Marine Corps in order to receive a new SIUUA).

e. The SIUUA may be furnished under the provisions of this Bulletin and consists of the following items in the quantities indicated:

Supplementary Clothing Allowances for Enlisted Personnel of the Regular Establishment and Active Reserve (AR)

1. Unit commanders are responsible for verifying eligibility to the supplementary allowances for enlisted personnel only as set forth in this Bulletin, per the requirements detailed in reference (a). Certification that the requesting individual's record has been checked and the individual is authorized to the allowance(s) is done by signing the Combined Individual Clothing Requisition and Issue Slip (NAVMC 604/604B). The form must be annotated with the applicable Military Personnel Marine Corps or Reserve Personnel Marine Corps (MPMC/RPMC) functional account number (FAN), per references (a) and (d). Issues must also be documented on an Individual Clothing Record (form NAVMC 631 or 631A) and maintained in the individual's Official Military Personnel File (OMPF), per reference (a).

2. Only one entitlement to the same type of allowance will accrue during any one period of continuous assignment to such duty. An individual who has received an allowance will not be authorized a subsequent allowance of the same items upon assignment to duty requiring the wearing of uniform clothing for which the allowance is provided, if less than 3 years have elapsed between the effective date of the new assignment and the last day of the previous assignment to such duty.

3. Grade insignia, service stripes, trouser stripes, and waistplates may be issued in conjunction with supplementary allowance issues and sewn on (if applicable) at Government expense under the specific circumstances described in reference (a). However, separate NAVMC 604/604B forms with O&MMC appropriation must be used. Commanding officers are responsible for providing accurate O&MMC appropriation data on the NAVMC 604/604B, if they plan to use a Military Clothing Sales Store (MCSS) or Retail Clothing Outlet (RCO) to issue these items. Units can also requisition directly from the source of supply, per reference (a).
